Youth CAB College Spotlights

Angel Jaramillo, Youth CAB President, has a passion for community work and enhancing education and prevention efforts within his community. He has long dreamed of attending Pitzer College, and this year, that dream will become a reality as he enrolls after graduating from high school. Angel will be pursuing a degree in Public Health. Way to go, Angel!

Marie Hernandez, Youth CAB Vice President, submitted nine college applications and received acceptance letters from eight! She is currently deciding between pursuing Criminal Justice or Nursing. We're so excited to see what the future holds for Marie!

Xiomara Hernandez, Youth CAB Liaison, will be attending the University of Northern Colorado in Greeley starting in 2025—an exciting new chapter in her academic journey. She looks forward to further developing her leadership skills and engaging with the campus community.

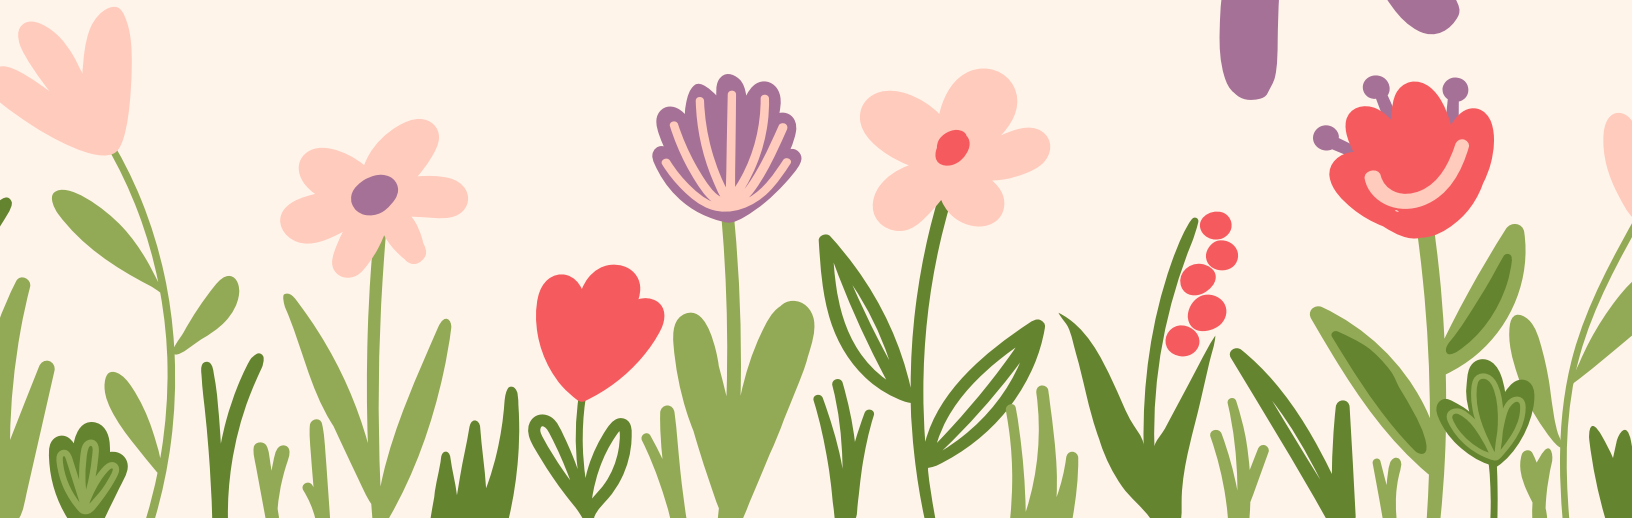

Monserrat Cholico, Youth CAB Member, brings a vibrant and contagious energy to her community, demonstrating that leadership and kindness go hand in hand. She has chosen to pursue Biology on a Pre-Med track and was accepted into all five colleges she applied to. We can't wait to see what Monserrat will achieve!

Janet Alvarado, Youth CAB Coordinator, shares: "I am beyond grateful for the opportunity to watch the Youth CAB grow and lead with such passion, hard work, and dedication. Marie, Monserrat, Angel, and Xiomara have truly inspired me, and I have no doubt they will continue to shine and make a difference wherever they go. I am so proud of each of them and can't wait to see all they will achieve in this next chapter of their lives!"

Join us in congratulating Marie,
Angel, Monserrat, and Xiomara as
they take the next step toward
their future!

A decorative header with a pink background. On the left and right are floral sprigs with purple and pink flowers and green leaves. In the center, a yellow and black striped bee is flying towards the right, leaving a dotted trail.
